Hotel Lužan Rumburk <https://www.hotelluzan.cz/>

The most comprehensive accommodation within reach of Bohemian Switzerland

Dominating the historic square of Rumburk, Wellness Hotel Lužan is one of two Lusatia Quality accommodation facilities located near the Bohemian Switzerland National Park. It provides its guests with high customer comfort in 26 double rooms and 4 suites.

In our wellness center you can enjoy massages, baths, paraffin wraps and other treatments. You can warm up not only in the Finnish sauna, but also in the vertical or horizontal solarium. A private spa bath is available for romantic evenings.

For a more active rest there is a well-equipped fitness center or bowling alley, where you will be served directly from our restaurant, where in addition to steaks and pizza, you can choose from a wide range of Czech and foreign specialties. In the summer months we offer a pleasant sitting on the terrace. For our homemade desserts come to sit in the pleasant environment of the confectionery Lužánek.

Thanks to the congress center, our hotel is also suitable for training, meetings or congresses. Other hotel services include room service and a car park with CCTV.
